### **ABOUT THE PLAY**

Mo and Brian are a picture-perfect DC couple: they're smart, they're witty, and they have a beautifully remodeled kitchen. But when Mo's best friend Patti announces she's found Jesus and is putting her own career on hold, Mo must take a closer look at the harder truths surrounding her own marriage, and the role that religion plays in it. A comedy about relationships, faith, and the fine line between compromise and regret.

See below for some production pictures, as well as more information about the play.
